

## FUNDRAISING EVENT DESCRIPTION

### Hat Day

Kids love to wear hats, but getting to wear one in school is a rare treat. A Hat Day Fundraiser is a great way to support Heart of Grace and let students enjoy wearing their hats for a day.

Students can pay to wear a hat to school for the day. When the students pay to wear their hat, give them a sticker printed with the Heart of Grace logo to identify them as “paid”, as well as help to spread the word about Heart of Grace and the need that needs met!

Talk to the school to see if they would be interested in participating to support Heart of Grace – maybe get the teachers and staff involved and hold a coordinating Jeans Day Fundraiser! Provide the Heart of Grace printable fliers to the school to let parents know about the fundraiser.
